ICYMI: CBP officers in Otay Mesa
rescued an illegally-trafficked tiger
cub from a traveler who attempted
to bring it into California from
Mexico this week.

On August 23 an 18-year-old man
arrived at the port of entry driving a
2017 Chevy Camaro, with a 21-year-
old man in the passenger seat. The
CBP officer conducting the
inspection referred the vehicle and
occupants for further inspection.
Officers searched the vehicle and
discovered the tiger cub lying on the
floor of the front passenger side. The
tiger cub was removed from the
vehicle and placed in an animal crate
until agents from the @USFWS
responded to the border crossing.
The driver was arrested and later
transported to Metropolitan
Correctional Center to await
arraignment. Agents from U.S. Fish &
Wildlife Service took custody of the
tiger cub and are working with the
@SanDiegoZoo Global to ensure its
well-being.
